## Supporting Napa Valley Children

- **Funds Teacher Grants and Special Projects to make curriculum accessible;** NVKC funds technology through classroom grants (up to \$700/class), color printers for printing AT material and special projects (Jane Ferons Fund) to help make curriculum accessible
- **On-going educational support;** NVKC sponsors local trainings and facilitates on-going educational support by sponsoring parents, teachers, and specialists to attend conferences and trainings which support AAC, AT, and movement
- **Independence through mobility via community events;** NVKC believes that children should live a life without limits. We provide opportunities for physically disabled children to enjoy community-based physical activities such as Ice Skating, Yoga, Dance, and Bike Riding

**Forms to apply for a Classroom Grant and to attend Training/Conference are located on our website:**
