

Kids Connect

Application to attend a Conference or Training

Napa Valley Kids Connect supports on-going educational support, sponsoring local trainings, and sponsoring parents, teachers, and specialists to attend conferences and trainings which support AAC, AT, and movement. If you have an interest in attending a conference or training, please fill out the application below and return it to: Nvkidsconnect@gmail.com.

If you are chosen to attend, we ask that you come back and share some of what you learned. It can be as simple as one thing you learned from the conference. The goal is to bring as much information back to our community to help and support as many people as possible. Training will be on a date determined by NVUSD.

A Grant with Napa Valley Kids Connect to attend a Conference or Training includes:

- Transportation to/from conference including plane travel, transport and long-term parking. We ask that participants travel together as a group when possible.
- Conference registration fees
- Hotel room (based on double occupancy)
- Sub pay reimbursement to NVUSD for the time you will be away, including 1 travel day if needed

All other expenses/incidentals will be paid by attendee unless approved prior

Thank you for your interest. We look forward to hearing from you.
